

Membership Renewal for 2010

Where is the renewal form?

As online renewal is the preferred method of renewing for the majority of members, and considering the cost and environmental impact of printing and posting thousands of forms, DAA has again elected not to send renewal forms for 2010.

You will find in this package simple flowchart instructions on how to renew your membership for 2010, including how to download forms if you still prefer this method. If you do not have access to the internet you can request forms be sent to you by contacting DAA National Office on 02 6163 5200 or email: nationaloffice@daa.asn.au
